Hands & Voices is dedicated to supporting families with children who are Deaf or Hard of Hearing without a bias around communication modes or methodology. We're a parent-driven, non-profit organization providing families with the resources, networks and information they need to improve communication access and educational outcomes for their children. Our outreach activities, parent/professional collaboration, and advocacy efforts are focused on enabling Deaf and Hard of Hearing children to reach their highest potential.

"What works for your child is what makes the choice right"
