

DO YOU HAVE A CHILD 4 TO 8 YEARS OLD WHO USES COCHLEAR IMPLANTS?

Our lab in the Communication Sciences and Disorders Department at the University of Houston is recruiting children between the ages of 4 and 8 years old to participate in a 1-hour research study.

TASKS:

- Online survey (about 30 minutes)
- 30-minute speech activity (virtual via Microsoft Teams)

At the end of your and your child's participation in the study, you will be given a **\$30 gift card**.
