THE PROJECT

Researchers and Speech-Language Pathologists at the University of Maine are studying the differences in children's ability to retell a story.

We are specifically interested in **children who are Deaf or hard of hearing.**

WE NEED VOLUNTEERS!

CHILD NARRATIVE PROJECT

WHO IS ELIGIBLE

Your child may be eligible to participate in this study if he/she:

- ✓ Is Deaf or hard of hearing
- ✓ Is between 5 years and 7 years, 11 months old
- ✓ Has sufficient visual abilities and attention span to watch a movie or look at a book
- ✓ Communicates through spoken English approximately 75% of the time

Participate Virtually - It's Fast, Fun & Easy!

The University of Maine invites you to participate in the **Child Narrative Project** to help speech & language research.

ENROLLED PARTICIPANTS WILL EXPERIENCE THE FOLLOWING:

Parents will be asked to fill out a short questionnaire

A parent and child will meet the examiner during a scheduled ZOOM meeting. This meeting will be recorded and transcribed.

The average ZOOM meeting will be **30-45 minutes**.

★ As a thank you for your participation, a book will be sent to your child upon completion.
