

Volunteers Needed to complete an Online Survey

Are you the parent of a child who receives care from a speech-language or hearing healthcare provider? We want to hear from you for this online research study!

Link to the Survey: <https://redcap.link/h77e258m>

You May Qualify If You:

- Are the parent or primary caregiver of a child who receives services from a speech/language and/or hearing provider (e.g. Speech-Language Pathologist or Audiologist)
- Are 18 years of age or older

Participation Involves:

- Completion of an online survey about the effect of the COVID-19 pandemic on your child's speech-language and/or hearing care.
- Survey takes approximately 10-15 minutes to complete

Potential Benefits

There are no direct benefits to participants in this study. However, Information gained from this study may provide a deeper understanding about the experiences of parents pursuing speech/language and hearing health care for their child during the COVID-19 pandemic.
