

# Seeking participants for a modified e-Delphi study on a Virtual Caregiver Participation Framework for audiology.

## What's Involved?

We are inviting you to participate in an e-Delphi study including 2-3 online surveys that will take you up to 30 minutes to complete over a period of up to four months.

## Eligibility Criteria

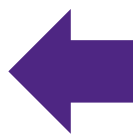

Fluent in written and spoken English.

You are experienced and knowledgeable about pediatric virtual audiology care and are one of the following:

- 1) a currently practicing audiologist
- 2) a researcher
- 3) a parent/caregiver
- 4) an organizational or managerial leader.
