

CHILDREN'S BOOK SURVEY

You May Qualify If You:

- Are the parent/primary caregiver of a child who is D/deaf or hard of hearing
- Are a professional (AuD, SLP, TOD) that provides services to children who are D/deaf or hard of hearing
- Are 18 years of age or older

Participation Involves:

- Completion of an online survey about the perceptions of how well hearing loss is represented in children's literature.
- Survey takes approximately 10-15 minutes to complete

Potential Benefits:

There are no direct benefits to participants in this study. However, information gained from this study may provide a better understanding of how well parents and professionals feel that hearing loss is represented in various types of children's and young adult books.
