

HANDS &
VOICES™

Welcome

Virtual Waiting Room

Please visit our

Virtual Waiting Room

<https://handsandvoices.org/virtual-waiting-room/>

Created for families who have been referred to audiology or are receiving tele-audiology to recreate the benefits of an in-person waiting room, without the wait!

Learn:

- See the Family Guide to Audiology & Telehealth
- Get Questions to Ask Your Audiologist
- Explore tele-audiology options
- Understand your child's hearing
- Benefit from the support of other professionals, including Deaf/Hard of hearing adults and Early Intervention

Share:

- Educate extended family members about newborn and childhood hearing screening.
- Through family stories, gain an introduction to the importance of early language development.
- Watch a video about the importance of follow up services, CMV, homebirth and tele-audiology.

Explore:

- Access resources to promote well-being
- Read family quotes and experiences
- Foster joy with your child

Connect:

- Find local H&V Chapters & more
- Link to an experienced parent
